November 2018 newsletter
Cara Hutchings, ed.

We had quite a good time hosting the annual Region 2 meeting this past month! My thanks to all who participated, Ellen, Jeanne, Wendy (and her husband, Gary), Betty and especially Neil, who pretty much did everything! We did a great job, and we look forward in doing it in another 4 years.

Our last meeting of the year will be Sunday, November 12th at 2 pm at St. John's Episcopal Church Hall, 11 Episcopal Ave. in Honeoye Falls. After as short a business meeting as I can manage (we have to approve a budget for next year), we will have Wendy Roller presenting a talk on Median Iris. These little, early bloomers are a favorite of Wendy; and with her many years of experience judging and growing iris, she is quite the expert! If you have any desire to grow the median iris, this is the one meeting to attend!

We also will be taking ideas and inspirations for our next year. If you have a program or speaker idea, let us know! This is your club; let's make it about you.

Did you like the newsletter last month? I will be working with Neil and hopefully we will develop it and have it with more pictures and articles.

So, time to get this off in the mail, and we will see you next week!
